Early Care Training Programme

Online course for medical professionals

The training program is developed by [European Cleft Organization](http://www.european-cleft-organization.org) with support of European Union [Erasmus+](http://www.erasmus-plus.eu) grant program. The online training in English/Russian is offered for free thanks to support of [Smile Train](http://www.smiletrain.org), the largest international cleft charity.

Training schedule:

May 18, 18:00 - 19:00*	Understanding facial birth anomalies: anatomy, classification, diagnosis.
May 25, 18:00 - 19:30	Early care and feeding (part 1): feeding, safety, special feeding bottles.
June 1, 18:00 - 19:30	Early care and feeding (part 2): influence of comorbidities, airway management.
June 8, 18:00 - 19:00	Family support: adaptation, social and cultural influences.
June 15, 18:00 - 19:30	Case studies

* Moscow time (+3 GMT).

To register email: okudamanova@smiletrain.org by May 3.

Please include your email address, profession/job title, name of hospital where you work and the length of time you have been working with babies with clefts.
